

The Southpointe CEO Association Jack B. Piatt Scholarship Program

Celebrating and encouraging leadership development in business, community, and school, the Southpointe CEO Association (SPCEO) will award \$10,000 in scholarships to individuals who have demonstrated excellence in leadership. The program is open to individuals who are employees, or dependents of employees, of SPCEO (or Washington County Chamber of Commerce member that is headquartered in Southpointe) and reside in Washington County. The scholarships are awarded in honor and memory of Jack B. Piatt, Founder and Chairman of Millcraft Investments and Founder of the Southpointe CEO Association.

This program aims to provide support to those who seek to make a positive impact in the Washington County community through the completion of a college, post-graduate, or technical degree. By recognizing persons who strive to improve their leadership skills and achieve higher levels of education, these scholarships will help to make those dreams a reality.
