

The Southpointe CEO Association Jack B. Piatt Scholarship Guidelines

Celebrating and encouraging leadership development in business, community, and education, the Southpointe CEO Association (SPCEO) will award up to \$10,000 in scholarships to individuals who have demonstrated excellence in leadership and service to their community. The program is open to individuals who are employees, or dependents of employees, of SPCEO (or any Washington County Chamber of Commerce member that conducts business in Southpointe) and must reside in Washington County. The scholarships are awarded in honor and memory of Jack B. Piatt, Founder and Chairman of The Piatt Companies and a founder of the Southpointe CEO Association.

This program aims to support those who are making a positive impact in the Washington County community through the completion of a college, post-graduate, or technical degree. By recognizing local students who strive to improve their leadership skills and achieve higher levels of education, these scholarships will help to support those efforts.

Eligibility Criteria:

- The SPCEO Jack B. Piatt Scholarship Program is open to anyone attending a post-secondary, college, post-graduate, or technical school in the 2024-25 academic year.
- Applicants must be a current employee (or dependent of an employee) of a member organization of the Southpointe CEO Association. All members of the Washington Chamber of Commerce who have a business located in Southpointe or conduct business in Southpointe are also considered members of the Southpointe CEO Association and are eligible to apply.
- Applicants must reside in Washington County.

Application Process & Criteria:

- Candidates must apply through our online application portal providing details on their chosen field of study/trade, their service and leadership in their own communities, and how this scholarship will help them give back to Washington County.
 - Required Information
 - Contact – Home Address, phone, and email address.
 - Eligibility – Employee or Employee dependent of an eligible organization
 - Proof of Enrollment from institution you attend/plan to attend in 2024-25 academic year.
